CONTRACTS & SUBCONTRACTS DIRECTOR

---

Angela serves on the Senior Leadership team of Leidos UK as a Director managing Leidos' UK Contracts, Subcontracts and Global Supply Management Chain teams.

Angela joined Leidos in May 2015 to manage the £6.5Bn UK Ministry of Defence (MOD) Logistics Commodities and Services Transformation (LCST) contract for commodity procurement, storage, and distribution of supply materiel.

Angela has over 20 years of experience in Contract Management and Global Supply Chain activities. Most recently, Angela worked as the Lead Contract Manager in GE's Oil & Gas division delivering hardware and services contracts for Chevron and Eni. Prior roles have included working as Commercial Manager in Rolls-Royce, managing high profile mission ready availability contracts for the Nimrod, Tornado, and Harrier programmes, among others.

Angela has an Honours Degree in Business Law from Leicester University and a Post Graduate Diploma in Legal Practice from Birmingham University, UK.

Angela is currently the UK Chapter President of the Leidos Women's Network and actively provides mentoring and support to other colleagues in the UK business.
